

## **BOARD OF ELECTIONS**

**QCFSC is pleased to present the following members as board candidates:**

### **Darlene Wetterich Bio: (3 year)**

I have been active in the Queen City Figure Skating Club for over 12 years. I began as co-chair of the Hospitality Committee, followed by several years as Membership Chairman. During that time I was asked to assume an unfinished term on the Board of Directors, followed by two consecutive 3 year terms. For the last two years of that term I served as Club President, after which I was appointed President ex-officio. I was then asked to return to the Board to assume the position of Club Treasurer, a position I have held for the last 2½ years. Over the years I have also served as Competition Chair and Monitor Chair, and have worked on the Pro Liaison Committee, the Club's 50<sup>th</sup> Anniversary Ice Reflections Committee, numerous Club fund raisers, and the USFS Membership Committee.

### **Lisa Nocks Bio: (3 year)**

I am the first to admit that until Katherine started skating five years ago, I was more comfortable with ice in a glass than under someone's feet. Since that day five years ago when Katherine saw figure skating on TV, and said, "I want to do that" I have learned quite a bit about ice skating. I am now the proud owner of an electric blanket and a growing knowledge and love of figure skating. I have had the pleasure of being a member of Queen City Figure Skating Club since last year. When we joined, our family felt that we had found our skating home.

When not at the rink, I can be found at a variety of other places, from my job with Wyoming City schools as a substitute teacher and coach of the High School Dance Team, to the barn where my son, Alexander, horse back rides.

My Husband, Randy, and I returned to the Cincinnati area about 10 years ago after living in Philadelphia for a number of years. I was happy to return to my Midwestern roots.

I hope to bring the perspective of someone newer to skating to the board, and am thrilled at the opportunity to serve the members of Queen City Figure Skating Club.

### **Kelly Cook Bio: (3 year)**

Hello. My name is Kelly Cook. I have been a member of the Queen City Figure Skating Club starting in the late 1980's. I have enjoyed my time with Queen City and friends I have come to know through my membership in the club. In that time I graduated from Mason High School. I then went on to graduate from the University of Cincinnati with a degree in mathematics as well as a degree in secondary education. I spent five years teaching in the high school setting, first at Hughes and later at New Richmond. I then worked two years as a consultant for Scholastic Book Fairs.

Now I am primarily a wife and mother of three beautiful girls. My oldest, Laura Beth, is a freshman at Ohio State this year. My middle daughter, Felicity, is an eight year old second grader at Mason Heights Elementary and a current member of the club. My youngest, Grace, is four years old and a future club member.

In my free time I keep busy as a mathematics tutor as well as coaching skating. I have taught group lessons at Northland on and off since I was in high school. I have also helped coach in the Tuesday night group lessons sponsored by the club for the past several years.

### **Absentee Ballot**

If you cannot attend the QCFSC Meeting and Election Sunday May 2<sup>nd</sup>, 2010, please make sure your Vote is counted

Contact: Kim Jones (513) 825-6241 or [joneki@nwlsd.org](mailto:joneki@nwlsd.org) by April 25, 2010.

You must be a member of QCFSC and at least 18 years of age.
