

Volunteer Opportunities

Volunteers are absolutely essential to the success of this organization. Many of the activities vital to a quality skating club, such as test sessions, an annual competition, and regular club ice sessions cannot happen without volunteers to staff them. Realize that every member of our board is a volunteer, too. Please review the list below, and consider where you might help. Even if you can't chair a committee, we need to know where you are interested in helping out if we are to continue to offer the quality programs you expect from QCFSC.

Without your support we may not be able to offer the amount of test sessions, club ice, exhibition, or competition opportunities we have provided in the past. Please indicate your 1st, 2nd, and 3rd choices in the appropriate column below. The Board will select chairs based on prior experience. Current committee chairs have rights of first refusal on their jobs. Co-chairs are welcome in many roles and will receive the full discount upon successful completion of their duties. Apply as a team or apply to be a co-chair, subject to Board approval. Note, the Board may not be able to honor all requests to chair.

Please note that all members are expected to volunteer in some capacity.

*Because of the significant amount of the Committee Chair discount, the chosen activity must be completed in full and signed off by a Board Member. Upon completion, the discount will be granted as a credit toward 2nd half dues. You may deduct the discount up front only if you pay your dues in full. However, if the activity has not progressed at the time of the 2nd half billing, you will be assessed the dues discount and test/competition privileges may be withheld until this obligation is satisfied.
